- Bookshelves
- Teacher desk and chair, teacher computer table, and chairs
- DVD/VCR & sound reinforcing system in lockable cabinet
- Student cubbies
- Teacher's cabinet (lockable)
- Wall cabinets and base cabinets with sink
- Pencil sharpener with support
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities

### Special Education Classrooms

- Removal of existing flooring, unit ventilators, built-in cabinets or shelving, furniture, & all wall and ceiling items.
- Vinyl tile floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors
- Insulation (covered with gyp bd) on exterior wall
- Digital projector mounted at ceiling
- Phone
- Student desks, activity table, computer table, and chairs
- Bookshelves
- Teacher desk and chair, teacher computer table, and chairs
- DVD/VCR & sound reinforcing system in lockable cabinet
- Teacher's cabinet (lockable)
- Base cabinets with sink
- Pencil sharpener with support
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities

### Toilet Rooms

- Removal of existing flooring, unit ventilators
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Heat panels
- Paint on walls & door frames
- Windows with integral blinds
- Wood doors
- Paging system
- Electric hand dryers
- Partitions
- Faucets on sinks

### Teacher Preparation

- Removal of existing flooring, unit ventilators, built-in cabinets or shelving, furniture, & all wall and ceiling items.
- Vinyl tile floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack board & marker board
- Wood doors
- Phone
- Tables, computer table, and chairs
- Wall cabinets, base cabinets with sink
- Connections for copier
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities
- Connections for vending machines (ES)
- Microwave & refrigerator (ES)
- Adjacent toilet room

### Elementary Corridor

- Removal of existing flooring, ceiling, wall items.
- Vinyl tile floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & tack strips
- Wood doors to classrooms, aluminum doors to exterior
- Paging system
- Synchronized clock
- Wireless capabilities

### Existing Locker Rooms

- Removal of existing flooring, windows, unit ventilators, lockers & all wall and ceiling items.
- Vinyl tile floors with vinyl base, ceramic tile in shower area
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Wood doors
- Phone
- Paging system
- Synchronized clock
- Tack boards & marker boards

### Existing Gymnasium & Stage

- Removal of scoreboards, bleachers
- Refinished wood floor in gymnasium, new vinyl tile floor on stage, base
- Painted ceiling items
- Acoustical wall and ceiling panels
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Wood doors
- Paging system
- Synchronized clock
- Wireless capabilities
- Sound system, digital projector
- Bleachers on east wall
- Scoreboards
- Motorized projection screen
- Stage lighting
- Lockers and benches

### Student Dining

- Removal of existing flooring, ceiling, wall items, unit ventilators, tables connected to wall.
- Vinyl tile floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & tack strips
- Aluminum doors to exterior
- Paging system
- Synchronized clock
- Wireless capabilities
- Acoustic wall panels
- Windows with integral blinds
- Display cases in table frames

### Food Service

- Removal of existing flooring, ceiling, wall items, unit ventilators, equipment
- Quarry tile floors with quarry tile base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Wood doors to classrooms, aluminum doors to exterior
- Paging system
- Synchronized clock
- Wireless capabilities
- Acoustic wall panels
- Food service equipment (a few items reused)
- Two serving line options
- POS
- Cooler/freezer, dry food storage, dietician's office, toilet room with laundry facility

### Middle/High School Classrooms

- Removal of existing flooring, unit ventilators, built-in cabinets or shelving, furniture, & all wall and ceiling items.
- Vinyl tile floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors
- Insulation (covered with gyp bd) on exterior wall
- Digital projector mounted at ceiling
- Phone
- Student desks, computer table, and chairs
- Bookshelves
- Teacher desk and chair, teacher computer table, and chairs
- DVD/VCR & sound reinforcing system in lockable cabinet
- Teacher's cabinet (lockable)
- Wall cabinets and base cabinets
- Pencil sharpener with support
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities

### Life Skills Lab

- Removal of existing flooring, unit ventilators, built-in cabinets or shelving, furniture, & all wall and ceiling items.
- Vinyl tile floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors
- Insulation (covered with gyp bd) on exterior wall
- Digital projector mounted at ceiling
- Phone
- Student desks, computer table, and chairs
- Bookshelves
- Teacher desk and chair, teacher computer table, and chairs
- DVD/VCR & sound reinforcing system in lockable cabinet
- Teacher's cabinet (lockable)
- Wall cabinets and base cabinets with sink
- Pencil sharpener with support
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities
- 6 kitchens (including Accessible kitchen) with sinks, microwaves, ranges, range hoods, and cabinets
- Tall storage cabinets
- Washer/dryer

### Science Rooms (Middle School and Biology)

- Removal of existing flooring, unit ventilators, built-in cabinets or shelving, furniture, & all wall and ceiling items.
- Vinyl tile floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors
- Insulation (covered with gyp bd) on exterior wall
- Digital projector mounted at ceiling
- Phone
- Student desks & chairs
- Bookshelves
- Teacher desk and chair, teacher computer table, and chairs, teacher demonstration table
- DVD/VCR & sound reinforcing system in lockable cabinet
- Teacher's cabinet (lockable)
- Wall cabinets and base cabinets with sinks
- Pencil sharpener with support
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities
- Emergency eyewash/shower (biology)

### Chemistry Room

- Removal of existing flooring, unit ventilators, teacher demo table, furniture, & all wall and ceiling items.
- Refinish existing wall and base cabinets & lab stations
- Vinyl tile floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors
- Insulation (covered with gyp bd) on exterior wall
- Digital projector mounted at ceiling
- Phone
- Student desks & chairs
- Bookshelves
- Teacher desk and chair, teacher computer table, and chairs, teacher demonstration table
- DVD/VCR & sound reinforcing system in lockable cabinet
- Teacher's cabinet (lockable)
- Pencil sharpener with support
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities
- Emergency eyewash/shower
- Fume hood
- Reuse existing SmartBoard

### Instrumental Music

- Removal of existing flooring, unit ventilators, built-in cabinets or shelving, furniture, & all wall and ceiling items. (built-in wall cabinets on West wall to remain)
- Carpet floor with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors
- Insulation (covered with gyp bd) on exterior wall
- Digital projector mounted at ceiling
- Phone
- Student desks & chairs
- Bookshelves
- Teacher desk and chair, teacher computer table, and chairs
- DVD/VCR & sound reinforcing system in lockable cabinet
- Teacher's cabinet (lockable)
- Instrument storage cabinets
- Pencil sharpener with support
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities
- Acoustic wall panels
- Double doors to exterior; double doors to interior corridor

### Vocal Music

- Removal of existing flooring, unit ventilators, built-in cabinets or shelving, furniture, & all wall and ceiling items. (reconfiguration of space)
- Carpet floor with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors
- Insulation (covered with gyp bd) on exterior wall
- Digital projector mounted at ceiling
- Phone
- Student desks & chairs
- Bookshelves
- Teacher desk and chair, teacher computer table, and chairs
- DVD/VCR & sound reinforcing system in lockable cabinet
- Teacher's cabinet (lockable)
- Wall and base cabinets, instrument cabinet
- Pencil sharpener with support
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities
- Acoustic wall panels

### Middle/High Corridors

- Removal of existing flooring, ceiling, wall items.
- Vinyl tile floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & tack strips
- Wood doors to classrooms, aluminum doors to exterior
- Paging system
- Synchronized clock
- Wireless capabilities

### Vocational Agriculture Building

- Vinyl tile floors with vinyl base (Select rooms)
- Acoustical lay-in ceiling tiles (reuse existing)
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames (select rooms)
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors
- Digital projector mounted at ceiling
- Phone
- Student tables & chairs
- Bookshelves
- Teacher desk and chair, office work space
- Teacher's cabinet (lockable)
- Wall cabinets and base cabinets
- Reuse existing technology
- Portable emergency eyewash/shower

### Wood Shop

- Sprinklers and fire alarm
- HVAC system
- Windows with integral blinds
- Exterior doors
- Portable emergency eyewash/shower

## NEW SPACES

### Art Room

- Vinyl tile floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors
- Digital projector mounted at ceiling
- Phone
- Student tables & chairs
- Bookshelves
- Teacher desk and chair, teacher computer table, and chairs
- DVD/VCR & sound reinforcing system in lockable cabinet
- Teacher's cabinet (lockable)
- Wall cabinets and base cabinets with sinks
- Pencil sharpener with support
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities
- Separate adjacent Kiln and art storage rooms
- Display Case to corridor

### High School Gymnasium (competition)

- Wood floor
- Bleachers and score table
- Backstops and goals (forward fold)
- Volleyball standards
- Divider curtain
- Sound system
- Acoustical wall & hanging ceiling panels
- Retractable flag
- Wall mats
- Painted walls and ceiling items
- Wood interior doors, aluminum exterior doors, painted frames

### Locker Rooms

- Vinyl tile floors with vinyl base, ceramic tile in shower area
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Wood doors
- Phone
- Paging system
- Synchronized clock
- Tack boards & marker boards
- Lockers and benches

### Media Center

- Carpet floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors
- Phone

- Student tables & chairs
- Bookshelves
- Teacher desk and chair, teacher computer table, and chairs
- Workroom with wall cabinets and base cabinets with sink
- Pencil sharpener with support
- Paging system

- Synchronized clock
- Power and data connections
- Wireless capabilities
- Display Case to corridor
- Separate Elementary & high school areas

#### Distance Learning Lab

- Vinyl tile floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors
- Digital projector mounted at ceiling (2)
- Phone
- Student tables & chairs
- Bookshelves

- Teacher desk and chair, teacher computer table, and chairs
- DVD/VCR & sound reinforcing system in lockable cabinet (2)
- Student cubbies
- Teacher's cabinet (lockable) (2)
- Wall cabinets and base cabinets
- Pencil sharpener with support
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities
- Operable Partition for one large or two small classrooms

#### Administration Area

- Carpet floors with vinyl base
- Acoustical lay-in ceiling tiles
- Sprinklers and fire alarm
- Overhead Lights
- Ductwork and vents
- Paint on walls & door frames
- Tack boards & marker boards
- Windows with integral blinds
- Wood doors

- Phone
- Office chairs and workspaces (desks and countertop work surfaces)
- Bookshelves
- Wall cabinets and base cabinets
- Paging system
- Synchronized clock
- Power and data connections
- Wireless capabilities
